

Project Closure Documentation

As the official representative of Aerospace Industry Association of Michigan, we accept the software project as designed and built by computer science students enrolled in Grand Valley State University's School of Computing Senior Project courses (CIS 467). It is understood that the project has been performed by senior computer science students of the School of Computing and that GVSU, the School of Computing, and as reflected in the Field Education Affiliation Agreement executed 12/10/2020 between GVSU and Aerospace Industry Association of Michigan, GVSU assumes no liabilities associated with the design and implementation of the project. The project is a requirement for the senior project course of the School of Computing.

The project is accepted by Aerospace Industry Association of Michigan; and adequately meets the requirements.
